Dear Crafters, Exhibitors and Vendors:

Thank you so much for your interest, and hopeful participation, in our ninth annual Dacusville Farm Show in Easley, South Carolina. We have made every effort to ensure a great and safe day for all in attendance. Please read the following rules and guidelines (**as some may have changed**), and we encourage you to pre-register, please return your form with payment, if applicable. We look forward to serving you. May God Bless each of you. -----Dacusville Heritage Association Board.

The following is a list of rules that must be followed:

1. Register at the Registration Building on Griffin Road as you enter the show grounds with your exhibit or as a craft or vendor (selling items). ****All vendors should register the names of helpers they will use during the show so that we can issue identification wrist bands for each one. **** Number of helpers will be discussed prior to the start of the show and agreed upon based on the specific needs of each vendor. Helpers without wrist bands will pay \$5.00 admission charge. ****Each exhibitor will receive up to (3) guest wrist bands to be worn throughout the entire show. ****Additional people attending will be required to purchase tickets. These tickets will be available at the registration desk or ticket booth. No golf carts, Gators, 4-wheelers or similar type utility vehicles are to be driven on the show grounds without a handicap rider permit. All riders must remain seated at all times.
2. Crafters, exhibitors and vendors can begin setting up Thursday morning at 8:00 am and must be set up before 8:00 am on Saturday and Sunday morning. Late arrivals please check with guest services at the exhibitor's entrance for escort into show grounds.
3. Handicap ID will be required prior to entry to show. All golf carts that will be used for handicap purposes will be issued blue dots for the windshield to show they are registered with us. Any visitors to the show with handicap golf carts will have to use the special entrance located past the public parking lot. There they will register the golf cart and be issued a blue dot sticker for identification and purchase their tickets for the show. They will then be directed where they can enter the show.
4. Dirt bikes, scooters, bicycles, go-carts or similar type vehicles should not be brought to the show grounds. No exceptions.
5. After set-up, tractors and other exhibited vehicles can only be driven during the parade of power each day or to and from the working tractor events if they are participating in these events. The parade of power will be at 12:00 and 4:00 pm on Saturday and 3:00 pm on Sunday. Prize drawings will follow parade of power. The working tractor events have not been determined as of the date. You must sign up for these events due to limited number of spaces for participants.

7. Tractors and other vehicles must be driven in a safe manner. Riders must be in a safe position on or in the tractor/vehicle (i.e. the bucket of a front end loader, or the front, top, or hood of any tractor/vehicle would not be considered a safe position). The driver of a tractor or any other vehicle must be in a position to control the vehicle (i.e. you must be in the seat with direct access to steering, clutch and brakes. Standing on the back of a tractor or on a seat beside a child driver would not be considered a position of control). Parade of power route will be monitored for safety.
8. Tractors and any other equipment should have the wheels chocked to prevent accidental roll off.
